

# Instructions for Poster Presentation at SSCI 2025

## Technical requirements

- **Poster size:** A0, portrait setting (height = 1189mm, width = 841mm)
- **Banner:**
  - Every poster should have a **banner (header)** at the top that identifies it with its associated symposium (e.g., IEEE Symposium on CI for Energy, Transport and Environmental Sustainability (IEEE CIETES))
  - The banner should stretch the full width of the poster with a **height of 50mm**.
  - The banner text should have a background color using the following **color code**:
    - Full paper: light red
      - Hex: #FF9999; RGB: (255, 153, 153); CMYK: (0, 40, 40, 0)
    - Short paper: light blue
      - Hex: #99CCFF; RGB: (153, 204, 255); CMYK: (40, 20, 0, 0)
    - Late-breaking paper: light green
      - Hex: #99FF99; RGB: (153, 255, 153); CMYK: (40, 0, 40, 0)
    - Abstract-only: light yellow
      - Hex: #FFFF99; RGB: (255, 255, 153); CMYK: (0, 0, 40, 0)
    - Journal-to-conference: white
      - Hex: #FFFFFF; RGB: (255, 255, 255); CMYK: (0, 0, 0, 0)

## Poster printing in Trondheim

- If you wish to print your poster in Trondheim so that you do not need to transport it, you must make your own arrangements and ensure that the poster is ready for the start of your poster session at the conference.
- Two possible locations for poster printing:
  - CopyCat Trondheim <https://copycat.no/trondheim/>
  - Blinkprint AS <https://webshop.blinkprint.no/>
- Please pay special attention to the opening hours and travel routes to ensure that you can pick up your poster when needed.

## Further instructions and recommendations

- Instructions for the poster presentation days:
  - Each poster session will have a dedicated timeslot to put up the posters. The schedule will be communicated before the conference starts.
- Recommendations for afterwards:
  - Remember to take down your poster after your poster session.
  - Take it home with you and consider reusing or recycling.
